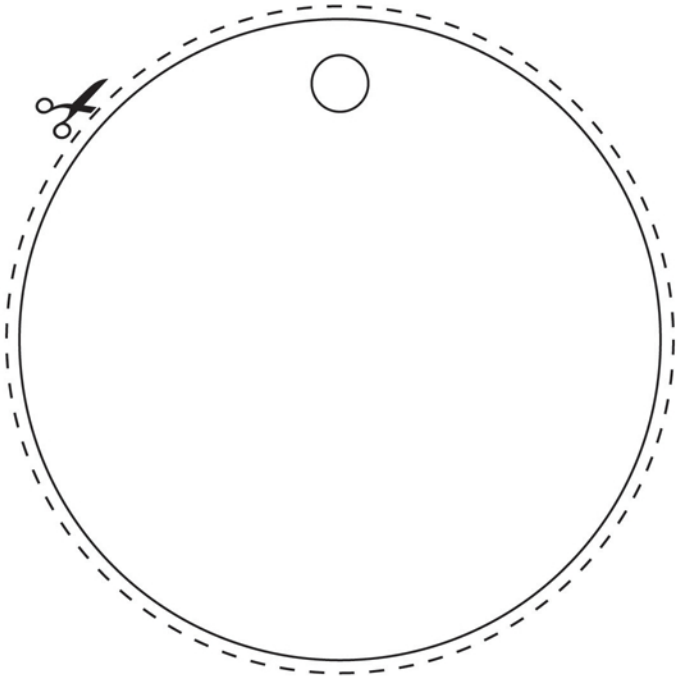
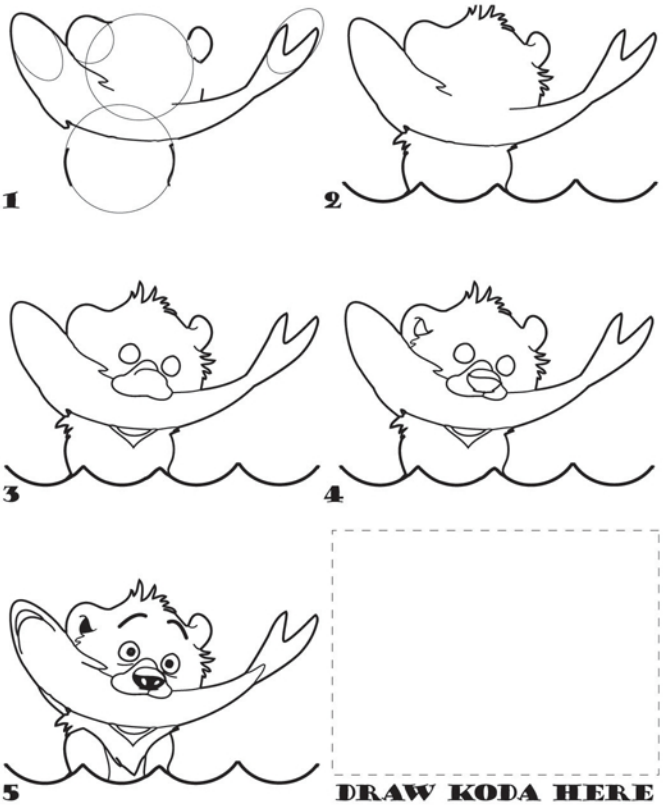
FRIENDSHIP AMULET

Kenai and Nita made a pact as children that they would always be friends. Kenai even gave Nita his amulet to seal their friendship. Make an amulet for your best friend. Cut out pictures from magazines, or draw images on the amulet below that represent your friendship: skateboard, dance steps, cookies, movies, football, music notes, etc. Then glue it to a piece of cardboard, cut out the amulet, punch a hole at the top and tie on a ribbon to make a pendant.



DRAW KODA

Kenai's kid brother Koda loves to have fun and eat fish. Can you draw him playing in the water? Follow these easy steps.



BEAR TALK

When Nita has to talk to Kenai, who is now a bear, she's given the power to speak to the bears. Now you can learn a new language code. Find out what the message below says by matching the letters to the symbols. Try using this new code, or make up your own drawings, to write secret messages to your friends.
